### FUTURE TENOR SINGER FOUND.

Experts Say that After Proper Instruction He Will Startle World.

New York, Oct. 6.—In the person of Isaac Routman, an humble street huckster of the East Side, and who is a young compatriot of Jean De Reszke, the famous Polish singer. It is believed that a great tenor has been accidentally found who will electrify the dramatic world that will rank with Messrs. Caruso and De Reszke.

"After a course of proper instructions," says Dr. H. Holbrook Curtis, an authority on the voice, and who made the "find," "I believe he will rank some day with our greatest tenors."

"He is marvelously gifted," says Miss Fritz Scheff, who has sung with all the great tenors of the world, "and he will equal Caruso or De Reszke. He shall have a stage name—Caruske, a combination of Caruso and De Reszke, for he will equal them both," and as Raphael Caruske young Routman has passed into the care of Charles Dillingham, Miss Scheff's manager, who will educate him for the operatic stage.

Insurance Superintendent Says He Must Replace Funds.

Chicago, Oct. 6.—A special from Jefferson City, Mo., says:

State Insurance Superintendent W. D. Vandiver last night announced that unless John A. McCall resigned the presidency of the New York Life and repays the money which the commissioner thinks has been improperly diverted from the trust fund for political purposes, superintendent Vandiver, will immediately take steps to take away the company's charter in Missouri and stop the company from doing business in that state.

"Mr. McCall, Mr. Perkins, and all others involved must resign," said Superintendent Vandiver, "and if the case is within the criminal statutes of New York they should be prosecuted by the New York authorities. One thing is certain, they must replace these funds or they can't do business in Missouri while I am superintendent."
